

BOUNDLESS

ARIZONA'S SUPER LAND-GRANT UNIVERSITY IN ACTION

THE UNIVERSITY
OF ARIZONA

WE ASK BIGGER QUESTIONS

In a world that is constantly changing and growing we face some tough challenges. How do we feed 10 billion people? How do we sustain our water and energy? Will we collide with an asteroid? Questions like these launch missions to Mars, build cyberinfrastructure to map the tree of life, establish technology parks, and improve traditional CPR. When we ask bigger questions, we get better answers.

UA STRATEGIC PLAN IN ACTION

“Never Settle,” the vehicle that drives our action, is built on four pillars: engaging, innovating, partnering, and synergy.

ENGAGING

To graduate students prepared to lead productive lives and confidently pursue their passions, we provide cutting-edge teaching and real-world opportunities.

KEY STRATEGIES:

- ▶ Recruit > retain > graduate > career
- ▶ Provide a dynamic educational experience
- ▶ Sustain an environment of 100% engagement

INNOVATING

To stimulate creative inquiry that will solve grand challenges, we team up across disciplines, attract new resources, and constantly think in new ways.

KEY STRATEGIES:

- ▶ Promote our core strengths to address grand challenges
- ▶ Collaborate beyond disciplinary boundaries to increase local-to-global impact
- ▶ Improve institutional infrastructure to speed discovery, knowledge, and application

PARTNERING

To help Arizona thrive, we establish local and global entrepreneurial partnerships, launch new technology, and scale operations that enrich the quality of life.

KEY STRATEGIES:

- ▶ Expand our 21st century super land-grant mission
- ▶ Align our output with workforce and knowledge needs
- ▶ Develop, expand, and maintain critical strategic partnerships

SYNERGY

To achieve our ambitious goals, we align across disciplines, leverage efficiencies, and seek new resources, which frees us to think beyond traditional boundaries.

KEY STRATEGIES:

- ▶ Redesign collaboration and interdisciplinarity
- ▶ Optimize campus resources and virtual reach
- ▶ Develop new sources of revenue and leverage fundraising capacity

OUR VISION

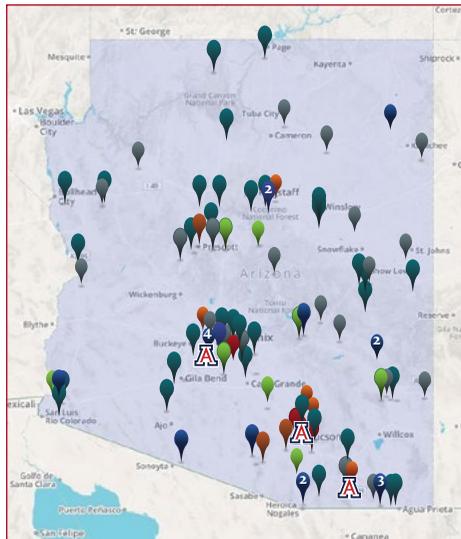

Ann Weaver Hart, President

Through cross-cutting innovations distinctive to the University of Arizona, we will expand the student experience through engagement, advance knowledge through innovations in creative inquiry and collaboration, and forge novel partnerships to positively impact our community.

OUR IMPACT

Visit the UA online Impact Map to see our economic impact in action, including data sources and dates.
